Update re meeting with Barry M.: He is committed to donating. He will arrange a meeting with Liz U. and other donors after the first of the year.

Denny will make an executive summary of bike path plans and costs to present to the donor meeting.

Grants: Still on hold

Barb Peck's name was brought up as idea for an Ad Hoc member to speak with property owners along the Cty P route. Al D. will see if she is interested. We need to decide if we approach property owners along this route now or wait to see if sufficient monies are in place. We will seek Barry M.'s advice.

We all need to think of a person who resides in Winchester to replace Nancy J.'s vacancy.

The next meeting will be scheduled after the "donor" meeting.

Motion to adjourn Bob, 2nd Al - motion carried
